Hello Historians,

I Rose Green am asking you to join me in a CHALLENGE!! If your auxiliary secretaries would like to assist you, I will take information from them as well.

I am offering a \$25.00 Gift Card to one auxiliary in each Division (these divisions were set by the awards Committee and can be found on the Department website)

<https://vfwauxwa.org/uploads/Documents/2024-2025/ProgramDivisions2024-2025.pdf> The Auxiliary that sends me the most Communications about what your auxiliary is doing will get points for several different things, see below. I would like to urge you to include other department chairmen in this email as well, since many of our events include other programs.

Points will be awarded for Emails sent to Department Chairmen, Facebook posts, newsletters shared, if you got on the radio, if you made it to TV, if you had events posted to WDVA Calendar( follow this link to [www.dva.wa.gov/calendar](http://www.dva.wa.gov/calendar) )to submit event for consideration. Points will also be awarded if you submit an entry for Media Relations Award #1. I also have a miscellaneous column. Note to get points I must receive emails. I will not be searching for your events they must be communicated to me directly.

Facebook Points will also include Instagram and Twitter.

This Challenge will start January 2025.

I will also be using this Challenge for tie breakers on Year -End Reports.
