

Diapers & Socks....Socks & Diapers

*****There will be a return of the sock drive, joined with a diaper drive at*****

BOTH SCHOOLS OF INSTRUCTION.

OPERATION SOCK DRIVE

The annual sock drive for the VA HOSPITALS is on again this year. There is a request for **DIABETIC SOCKS ONLY, ALL SIZES, BLACK AND WHITE.** Donations will be shared by all the State of Washinton VA facilities that need them.

OPERATION BOTTOM COVER

This is the National Presidents Special Project for the year. To assist our active-duty military and veterans' families with covering little bottoms. It is the National Presidents desire to provide this much needed item. We will be collecting children's disposable diapers of all sizes, to be delivered to our state's military bases and reserve units. If you would prefer to do a monetary donation in addition or instead of it may be done directly to Nation through MALTA. If you wish to receive credit through the state Consolidated report, then a check must be written and sent to the Auxiliary Treasurer with A CHECK SUMMERY SHEET.

#####All socks and diapers at each school of instruction will be collected by Marjorie Stetson and distributed to the locations accepting said donations. Please make sure to sign in on the respective donation sheet, providing your item donated, total number of items, auxiliary number and a contact person in case additional information should be needed. #####

DO NOTE A DONATION TO EACH OF THESE WILL PROVIDE YOU WITH VETERANS AND FAMILY SUPPORT AND HOSPITAL CREDIT FOR YEAREND REPORTING.
