Historian Bulletin #3

It was great to see everyone at Mid-Winter. Thank you to the 39 attendees who attended the Social Media Reels training and then stayed for the Suicide Prevention training afterwards.

The Historian and Media Relations National Program Awards Entry Form is due to me by 31 March 2026. Please see our website for information on how to make a social media reel if you need assistance and how to share the reel with me as well. I posted the scripts that we shared at the Mid-Winter training on the website as well. Make sure you get your entry in for your auxiliary.
