

**Membership Bulletin #4**  
**Year-End Report – April 2026**

WOW—what an incredible year! It is truly inspiring to see how hard this Department works in support of our veterans and their families. The numbers speak for themselves.

While we have accomplished a great deal, there is still work to be done. As challenged by our National President, we continue to focus on increasing our **Paid Percentage**.

At this time, our Department stands at **97.93% CURRENT Membership**, which reflects our current living membership. Let's keep the momentum going—please continue reaching out and bringing in new members.

Our **PAID membership is 100.55%**, which includes members we have lost throughout the year. Please remember to report any member deaths promptly in MALTA. **Do not hold these reports until the end of the year**, as timely reporting is essential for accurate records.

I would also like to recognize and congratulate our outstanding Auxiliaries:

**41 auxiliaries have reached 100% or more in PAID membership**

**26 auxiliaries have reached 100% or more in CURRENT membership**

These figures are based on reports pulled from MALTA as of April 7, 2026.

**RESULTS OF THE DRAWING ON APRIL 30 WILL BE ANNOUNCED ON FACEBOOK AND EMAIL TO THE AUXILIARIES. (CHECKS IN THE MAIL)**

**PLEASE REMEMBER TO BRING 2026 DUES FOR THE HOME FIRE ROUND UP TO STATE CONVENTION**

Thank you all for your continued dedication and commitment to membership growth and retention. Let's finish the year strong!

**Loyally,**
