DEPARTMENT OF WA

Bulletin #4

Young American Creative Patriotic Art and 3-D Art

As I am writing this bulletin, I have touched bases with many of you on meeting to pick up your art. I am looking forward to seeing all the art by very talented students. I will have all the art displayed at our June Convention where after being displayed will need to be picked up from there. I will have a sign out sheet that will need to be signed by either the auxiliary member or the District President.

Please remember that even our year is coming to an end these programs are on going to promote.

If you haven't done so there is still time to donate to our National Presidents project. The Continuing Education Scholarship. This is another great recruiting point for new members after belonging for a year they have an opportunity to apply for the scholarship.

Look forward to seeing all of year end reports and celebrating all your hard work in June at our convention.
