Buddy Poppy

Bulletin 3

Hope you all had a wonderful Buddy Poppy Distribution time for the Veterans Day weekend! If you have pictures of your tables or handing out Poppies, I would love to see some!

Please remember that we still need to educate our communities about Buddy Poppy. If your auxiliary is doing something above and beyond any normal things we do with the poppy program, please send me a write-up and photos of what you did.

We are getting closer to Mid-Winter conference and I cannot wait to see what your auxiliary has brought for the small contest we are having. I am hoping for a great turnout, and you can also report it on your Year-end.

That is all I have for right now on Buddy Poppy.

Any Question, please reach out

Adrienne Halvorsen

WA Buddy Poppy Chairman
