

Hospital Bulletin #1

As the Hospital Chairman for Department of Washington 2026 -2027 calendar year, I hope to inspire and motivate all the VFW Auxiliaries in Washington State. I hope to provide assistance where needed in support of the current Hospital Ambassador, VAVS / CDCE representatives, and outreach for hospital volunteers. In addition, I hope to promote enthusiasm, outreach support, and volunteerism by working, growing, and succeeding together!

Together is Better! I am so honored to be working this year with the VFW representative, Post Commander and Department Auxiliary President. We are doing things a bit different this year, more as a team effort and fully embracing the concept of how working together has big payoffs for both the Auxiliary and the VFW.

In the near future we will have a calendar of dates scheduled for hospital visitations. I am looking forward to meeting and working with all who work with this incredible program.

In addition, it will be announced at School of Instruction in different ways the VFW and the Auxiliary body can further support the hospital program. It is my goal to promote hospital donations; fund raise and promote and support coordinating efforts for raffle baskets at both midwinter and state conventions.

I am looking forward to working with my peers as a team effort on this project this year and getting to know all those involved in this important program. The goals are simple, educate on what the hospital program is, promote how anyone can help or participate with this program, recruit the ideals and principles of this program, ensure the continued success of the hospital program for the State of Washington.

Never forget as part of the VFW Auxiliary Hospital program, you can and do make a difference for our veterans!

Come on Washington, let's Do This!

Please feel free to contact me directly with any questions or concerns you may have; I am here to help.

Yours in Service,

Emily Arnold
