Auxiliary Outreach
Bulletin 3

"Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in." – Unknown

Keep up the great work and volunteer efforts! Your compassion and caring shows and makes a difference and makes our communities better for that effort.

Remember to keep track of the number of Auxiliary members and hours of volunteering they did. The more you do this now, the easier filling out the year-end report will be.

Remember to thank your members for their efforts for their volunteer efforts.

If you still have questions about the Auxiliary Outreach program, you can find further information and resources about Auxiliary Outreach on our Department web site Programs page under Auxiliary Outreach.

Below are links to other resources that you can share to others with smart phones and get quick access:

National   Department

To use a QR code, turn on your camera on your phone. Point the camera at the QR code for what information/website of where you want to go. Your phone will then show you the web address and options you have to gain quick access, such as Open in browser or Copy. Open in browser will take you to the website where you can then review and read the material on the site. Copy will let you save the link to then post into the browser of your choice.

Community Service:

Please continue to fill out and turn Community Service Reports each month in and **turn that information in to your Pos**t. Do not forget to email a copy of your report to me at jthuffman@comcast.net or mail it to me.

Thank you to everyone of you dedicating your time and effort and *beeing* the change, making a positive impact, showing we care to our community at large and helping others succeed.

Loyally,

Tom Huffman
Department Chair Auxiliary Outreach
